

THE BOOK OF MORMON

OR

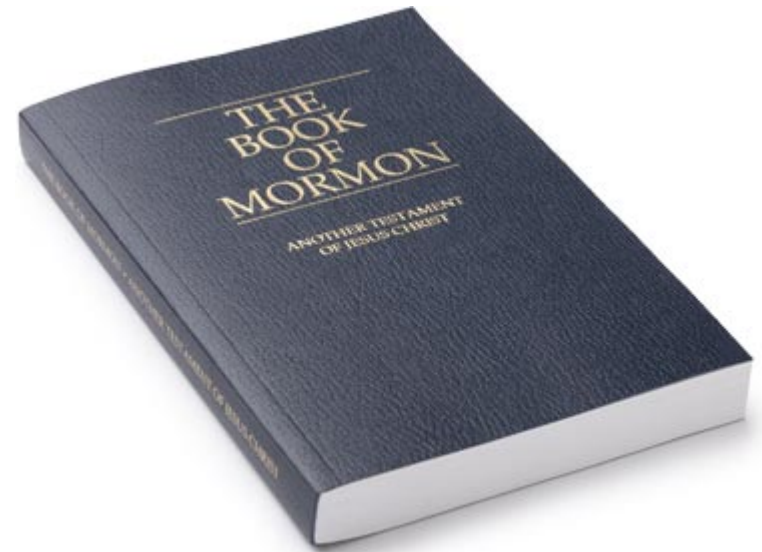

Disney

We hope you enjoy our version of “The Book of Mormon or Disney.” We got the idea from a popular LDS website that did something similar but not in a way we felt was robust enough or convenient for readers to use during Sunday School Class or Family Home Evening. So we decided to create our own version from scratch. All you need to do is save the file to your laptop or tablet and you’ll be instantly ready to entertain a group of rambunctious kids. You can also print it and put it in a binder.

We welcome you to use this for any non-commercial purpose. All we ask in return is that you take one minute to Like us on [Facebook](#) and Follow us on [Instagram](#). We’re a small group of church-goers like you trying to make it in this world, and we would really appreciate your support!
